iLearn's Mains Test Series was a key part of my long journey. It helped me sharpen my answer writing with consistent support and practice. Nikhil Sir has been a long-term mentor — for the exam and beyond. His presence throughout this process made a big difference. I'm truly thankful to the entire team at iLearn IAS.

Devika Priyadersini
AIR 95

iLearn's structured Mains Test Series supported me in my very first Mains attempt. Weekly sectional tests helped me revise in a focused and timely manner. The full-length exams closely resembled UPSC's actual pattern. Detailed feedback helped me improve and write with more clarity. It gave me the confidence I needed to clear the exam.

Kasturi Sha
AIR 68
First Attempt

I attended iLearn's MTS Program. The answer keys were par excellence. I noted down the examples and statistics from the key, which made me not want to rely on another source. The answer keys were very reliable.

Annie George
AIR 93
First Attempt

The mentorship provided was really good, guiding me at every step and offering personalized support and strategies. The tests in IPTS and MTS were instrumental in assessing my progress and fine-tuning my preparation. I'm grateful to iLearn for this success
